The Squadron's badge is our identity and can be featured in several formats. For many years the quality of the embroidered options has been quite poor, so I have now joined forces with a company who has promised me they will produce top quality embroidered examples of the three 75 Squadron badges to the exact detail I have requested. They will produce the badge of your era as a **patch**, or on coloured cloth of your choice as a blazer **pocket** or **frame** mountable or embroidered directly onto fabric such as a cummerbund (**c'bnd**), or **other** fabric of your choosing. Indicate below what you would like and return the complete form to me as your order.
